

## **Terms and conditions for reservation of Podbike®:**

### **1) Podbike ® Reservation.**

Thank you for your reservation of Podbike! You have secured an estimated priority for delivery of Podbike for your country and region (zip code). We will inform on our website [www.podbike.com](http://www.podbike.com) about which countries and areas that are prioritized for delivery. By giving us this trust, you help build a green, economical and fun Podbike® that we believe the world really needs.

Again: thank you!

### **2) Date of reservation.**

This reservation is considered valid from the payment of your reservation.

### **3) Booking.**

It is important to emphasize that this reservation is not an order or sale of a Podbike®. The reservation gives you an estimated priority for delivery in your country and region (zip code). When production starts up for deliveries in your country and region, Podbike ® will contact you about any options and choices for the delivery of your Podbike®.

You will eventually receive a purchase agreement that gives you the opportunity to complete this booking process with an order. If you wish to complete the order, we will consider your booking payment as part of the order payment. Until you have entered into a purchase agreement for a Podbike®, your reservation can be cancelled at any time and you will receive a fully refund of your reservation.

### **4) Terms - nontransferable, limited number.**

We will not pay you any interest for your reservation payment and the amount will not be retained on a separate or blocked account. It is not possible to transfer your reservation to another party without the written consent of Podbike®. It is not possible to reserve more than 4 - 4 Podbike ® per person through reservation payment without the express written consent of Podbike.

### **5) Information.**

From time to time, we will inform you about the development of Podbike® and ask for information from you to make the best possible Podbike®.
